SAMARA MEHTA

Jersey City, NJ • samara.mehta@gmail.com
www.linkedin.com/in/samara-mehta

Kinesiology graduate with a strong foundation in biomechanics, exercise physiology, and human anatomy. Applies an understanding of human movement to patient care, strengthened by clinical experience as a certified EMT-Basic and in hospital rotations. Seeking an entry-level clinical role in rehabilitation or hospital care to help people move better and recover from injury while preparing for a Doctor of Physical Therapy program.

EDUCATION

UNIVERSITY OF MASSACHUSETTS AMHERST, School of Public Health and Health Sciences Amherst, MA
Bachelor of Science, Kinesiology, GPA: 3.6 | Dean's List: Spring 2025 Aug 2024-Present
Relevant Coursework: Musculoskeletal Anatomy & Physiology, Biomechanics, Exercise Physiology, Motor Control, Prevention & Care of Athletic Injuries, Physics for Life Sciences, Statistics & Data Modeling

EXPERIENCE

NEE'S PHYSICAL THERAPY Hoboken, NJ
Physical Therapy Aide May 2026 - Aug 2026

- Guided patients through prescribed therapeutic exercises and ensured proper form under physical therapist supervision
- Prepared treatment tables, applied modalities (hot/cold packs, e-stim), and sanitized equipment between sessions.
- Managed front-desk intake, appointment scheduling, and patient check-ins.

NASSAU UNIVERSITY MEDICAL CENTER East Meadow, NY
EMT Student Intern Oct 2023 - March 2024

- Assisted doctors and nurses across critical care units including the Trauma Bay, Pediatric Unit, ICU, and Burn Unit.
- Supported patient care by monitoring vitals, transporting patients, and preparing medical equipment.
- Collaborated closely with medical teams across departments, maintaining clear communication and professionalism in high-pressure hospital environments.

LONG ISLAND UNIVERSITY Brookville, NY
Summer Intern June 2023 - Aug 2023

- Assisted Head Athletic Trainer with daily injury prevention, taping/bracing, and active rehabilitation protocols for Division I football student-athletes.
- Set up sideline hydration stations, emergency equipment, and treatment areas for practices and team training sessions.
- Administered recovery modalities, including cryotherapy, therapeutic heat, and pneumatic compression systems.

THE WORKS CAFE Amherst, MA
Restaurant Team Member Aug 2024 - Present

- Partner with team members to execute high-volume shifts in a dynamic, fast-paced environment.
- Accurately handle cash transactions and balance the register at the end of shifts.
- Prepare a variety of food and beverage items with attention to quality, consistency, and timely service.
- Contribute to a welcoming, energetic atmosphere that encourages repeat visits and positive customer experiences.
